

Have you seen this picture before? Do you pray?

This is Jesus knocking on the door of your heart.
The handle's on the inside , only you can let Him in.

Lots of people pray, but praying is like talking through the door. You know He's there somewhere, but you don't know Him personally.

Visualize wearing a backpack. If we filled it with all your sin, would it be heavy? That represents your debt with God. It stops you from having a relationship with Him.

If you owed a bank a million pounds and I gave you cheque for that amount, ang you gave it to the bank, what would happen to your debt?

That's what Jesus did when He died on the cross. He wrote you a check signed in His blood - with your name on it. He rose again, and today, He's standing at the door of your heart, wanting you to cash it.

If Jesus were here right now, would you let Him in?

Can you see the wind? No, but you can feel it right? Like the wind, Jesus is here right now. Can I pray for you to feel His presence? (After Prayer) What did you feel?

Right now, you're on a road of life without Jesus. You need to return from your sin, change direction and follow Him. Do you want to follow Him?

Jesus, forgive me for my sins. I open the door of my heart. I make you Lord of my life. Fill me with your Spirit. Amen.
